

# Does my child understand me?

Comprehension: also known as receptive language, refers to our ability to understand language.

## Is your child experiencing any of the following?

- Trouble answering questions or responding within conversations
- Difficulty following instructions
- Watching and copying others to follow verbal directions
- Poor attention and/or concentration
- Difficulty with basic concepts (small/big, short/tall, in/out, first/last)
- Over-reliance on visual cues
- Trouble understanding stories

**By preschool, children should be able to answer questions, follow instructions and understand stories. If you have concerns about your child's ability to comprehend language and connect with peers, call us today for your initial consultation to discuss their needs.**
